

TRANSPORTATION IN POLITICALLY UNSTABLE OR DIFFICULT TO REACH EVEN UNDER ESCORT AREAS

Transporting goods to remote locations of the world, to war risk or subject to political instability areas, requires significant commitment and dedication. An **accurate preparation and attention to each single detail** are essential elements to ensure the successful outcome of this kind of transportation.

Our support consists of:

- **Organization of convoys and military and non-military stockpiles**
- Control of **documentation**
- Obtainment of **exemptions**
- **Meticulous selection of agents**
- **Planning of route crucial aspects**
- **24 hours assistance**
- Ad hoc **insurance coverage**

Greenshields Project Cargo has over twenty years of experience in this field, which runs from providing supplies to international troops, involved in various global scenarios to supplying infrastructures to vehicle transportation.

Our added values:

- **Highly qualified and helpful personnel**
 - Innovative products suitable every kind of transportation
 - **Shipment tracking system**
 - Reliability and capilarity of the network agents
 - **ISO 9001** certification, in particular regarding the preventing planning of transportation
